

Innovation Fund – Application Guidelines

The HERO innovation fund is a sum of £1000, available as a one off payment to support the development and implementation of innovative enterprise activity in school.

In order to apply for this fund, schools should complete the attached funding request form.

Innovative ideas or activities will be granted funding based on them meeting the following criteria:

- Activities or projects should involve pupils aged 14-19
- Activities or projects should be innovative, novel and imaginative
- Specific, measurable, achievable, realistic and timely outcomes should be identified to work towards.
- The activity or project should meet as many enterprise capabilities as possible.(see request form for guidance)
- The application should explain how the success of the activity or project will be measured.

Applications for innovation funding should be received by the HERO team no later than Friday 16th November 2007, 4pm.

Successful applications will receive funding at the beginning of November, and evaluation will take place at the end of the school year. Please do not hesitate to contact Alison Sadler if you would like further guidance on suitable activities or projects.
